25X1

14. Underground gasoline dump; it is smaller than that at 11.
15. Former Japanese military storehouse.
16. There are 50 troops stationed at this point; their equipment includes four armored cars.
17. Head office of the Chinese Communist Peace Preservation Corps.
18. Fortress, built during the Japanese occupation.
19. Barracks and officers' quarters.
20. Soviet parade ground and maneuver area.
21. Fortress, built during Japanese occupation.
22. An "underground" fortress, invisible from the air, in the hills.
23. Soviet officers' residential district.
24. Barracks.
25. Soviet infantry rifle range. Butts are on the north end.
26. Small detachment of troops.
27. Radio station.
28. Public school, now occupied by Soviet forces.
29. Large ammunition dump, surrounded by electrified wire fence and off limits to civilians; it has been described as the "heart of Soviet defenses at Port Arthur." The northernmost tower is the control tower, all four towers being constructed on elevated terrain. Guards are constantly on watch in each tower.

c. Yantung Area (121-42, 39-00)

25X1

1. There are about 10,000 Soviet troops in this area, which has the appearance of a training center. Many of the troops there have been stationed in Port Arthur or other parts of the Peninsula. The number of troops never exceeds 15,000. (See paragraph 2,a).
2. Military camp.
3. Two hundred landing barges; 400-500 field pieces; 50 armored cars; 100 gun-towing vehicles (?) and 200 trucks.
4. Military camp.
5. Trenches.
6. Two field pieces, five trucks.
7. A few troops, 10 vehicles, 10 gun-towing vehicles and 20 field pieces.

d. Chinchia Area (121-43, 39-07)

25X1

1. Maneuver area. The Soviet troops hold daily maneuvers with armored cars. There are usually about 10 aircraft participating in these maneuvers.

2. Barracks.
3. Radio station.
4. Chinese aircraft.

CONFIDENTIALe. Dairen Area

25X1

1. Soviet officers' quarters
2. Radio station.
3. A few Soviets (civilians?) live at this point.
4. Several hundred (?) new trucks and about 40 field pieces.
5. Fifty trucks, 40 field pieces.
6. Soviet residential district.
7. Ferreliant'ieh (滿鐵) Hospital.
8. Residential district for high-ranking Soviet citizens.
9. Residential section for Soviet officers and men.
10. Twenty field pieces.
11. Numerous field pieces.
12. Ten gun-towing vehicles, 30 field pieces.
13. Radio station.

25X1

f. At Heinschutun (122-00, 39-10) the Soviets are building barracks. There are 300 Soviet troops stationed there, equipped with 100 (?) trucks and 50 (?) guns.

2. Soviet Dispositions, Kuantung Peninsula.

- a. There are approximately 40,000 [] Soviet troops on the Peninsula. Considerable numbers of troops formerly stationed in Port Arthur and Dairen have been transferred to Sanshiliipao (121-48, 39-16), Tengshaho (122-03, 39-13) and other towns to reinforce the garrisons there. (See paragraphs 2f, 5 and 7.)

b. Port Arthur Area

1. There are about 10,000 Soviet troops in Port Arthur.
2. [] 300 Soviet troops left Port Arthur by ship for north Korea.

c. Yingchengzu Area

1. [] the Soviet Army was building a three-storyed barrack in front of the Yingchengzu railway station (121-22, 38-58). On completion, it will accomodate 500 troops.

-4-

25X1

d. Dairen Area (see paragraph 1,e)

1. [redacted] at the Shinkien (121-55, 38-55) rail station in Dairen there were 20 trucks and 10 anti-aircraft guns.
2. [redacted] in the Yen Chia-pu (121-24, 38-52) area near Dairen there were 300 Soviet troops and 22 trucks.
3. [redacted] there were 500 Soviet troops at the recreation ground in Dairen. Most of the men have their families with them.
4. At the Tenghok'ou (延河口) railroad station in Fairen the Soviet Army has closed off an area with an iron fence and parked military trucks within it.

25X1

5. [redacted] there were 22 12.5cm guns on the coast near Ching-shih (静浦), Dairen.

25X1

6. East of Yutashan (于大山), four kilometers north of Choushutzu (121-34, 38-51), the Soviet Army has stored 3000 tons of bombs and shells. Part of this ammunition was transported to Tengshako and Hsingshutun [redacted]

25X1

e. Chinchow Area

1. [redacted] the Soviet Army set up single heavy artillery pieces at one-kilometer intervals along the coast near Chinchow and conducted firing maneuvers. (See paragraph 1,d,1.)

25X1

f. Fungsiale Area

1. [redacted] there were 1000 Soviet troops in the area of Tengshako. Their equipment included six heavy guns and five tanks.

25X1

2. [redacted] there were four anti-aircraft guns in the hills north of the Tengshako river mouth (122-07, 39-13).

25X1

3. [redacted] the Soviet Army had just completed the construction of 20 new barricades between Liangchiatun (121-56, 39-13) and Hsingshutun.

25X1

4. [redacted] in the vicinity of Hsiaochok'cu (夏竹口), one kilometer east of Hsingshutun, the Soviets were holding maneuvers every two to three days, using heavy guns and a new type of(rocket?) launcher.

25X1

5. [redacted] 50 Soviet artillery troops, six 20 cm artillery pieces and 12 trucks were moved by train from Port Arthur to Hsingshutun.

25X1

6. [redacted] the Soviet 33661 unit was stationed in Ch'ashan (查山). 25 kilometers northeast of Chincheu. It was then under the command of a Colonel Gilisher (based on Chinese phoneticization) and had 1500 men equipped with ten 12.5cm guns and 12 trucks. [redacted]

25X1

- [redacted] Over 1500 Soviet troops of the 33661 Unit, under the command of Colonel Chilishir (Chinese phoneticization), are stationed at Ch'ashants'un (查尚屯, 121-53, 39-11), northeast of Chincheu; they have 125 mm guns and 12 trucks).

25X1

7. [redacted] there were 1200 Soviet troops in Sanshiklimiao; they were equipped with seven 7.5cm mountain guns and nine tanks. [redacted] Note: [redacted] 75mm mountain guns and 5 tanks).
